Department of Public Works

IMPORTANT PROJECT

What: Surveying for water main rehabilitation.

When: Starting the week of Monday, May 8.

Where: Brice Road.

For More Information: See the reverse side of this advisory.

- As part of the City of Rockville's (City) Water Main Rehabilitation Program, the Department of Public Works will replace pipes in the water system.
- The City's water main projects are completed in a three-step process: perform a field survey, complete a design, and construct the water main upgrades.
- After utilities are marked, the City's consultant, *Charles P. Johnson and Associates*, will begin the field survey on Brice Road.
- Residents could see consultant crews and vehicles on their street with surveying equipment starting the week of Monday, May 8, 2023.
- Construction is planned for Fiscal Year 2025, which begins July 1, 2024. Another advisory will be mailed before construction starts.
